FINE FURNITURE FOR THE KITCHEN

No one knows more about kitchens than Prestige

When you decide to plan for yourself a new kitchen, you have your own ideas about how it should look and what you require to make it a convenient and hygienic place to work in. First you need a selection from a vast range of designs, finishes and prices.

Then you should have an expert advice at the planning stage to make the most of your kitchen space. Finally what you need most is a name you can trust for an ideal installation of your desired kitchen, backed by the assistance of highly trained specialists.

Prestige KITCHENS is just the answer with its permanent display of various kitchens, plus a vast range of appliances and accessories and professional planning advice; thus leaving you with an easy task of making the choice.

This brochure brings forth a foretaste of the matchless creations in kitchen designing like "CROWN 2000-T" having a touch of royalty with an arch-shaped door of solid teak wood. Then there is the graceful "VOGUE 2000-T" furnished with round teak wood edges.

"AESTHETIC 2000-R" built with solid rose wood slats is sheer elegance in true sense. But when it comes to "DELUXE 2000" you have convenience going your way. "CLASSIC 2000-L" is made a classic by a beautiful combination of

carved wood and laminates. Since your ideas are a first privilege to us, we also offer a "SPECIAL DREAM KITCHEN" built the way you desire

Planned free, custom built, carefully installed.

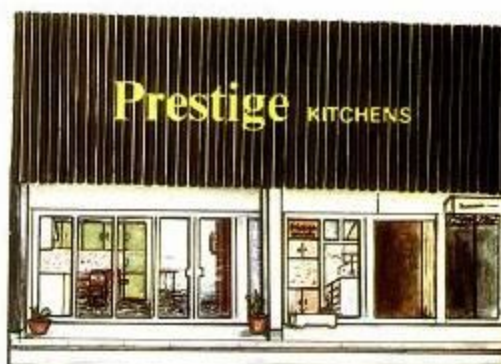

So when you come to **Prestige KITCHENS** you'll probably have a good idea of the style

of kitchen you are looking for. First study each of our kitchens carefully. When you want an expert advice, it is always there for the asking.

And when you have narrowed down your choice, one of our kitchen planners will come to your home, measure up your kitchen space, help with

practical suggestions and subsequently supply you with a detailed plan, perspective drawings and estimates. Our name is your guarantee that the installation will be carried out to the highest standards. Within a short time you'll be enjoying your brand new kitchen from
